

Icon Citations for Smart Dental MA Website

‘Toothbrush’ icon by Alice Cerconi from the [Noun Project](#). I’ve altered the color and used the ‘Toothbrush’ icon on the [Home Page](#) and [New Patients](#) page.

‘Dental Mirror’ by EpicCoders from the [Noun Project](#). I’ve altered the color and used the ‘Dental Mirror’ icon on the [Home Page](#).

‘Clean Tooth’ by Nikita Kozin from the [Noun Project](#). I’ve altered the color and used the ‘Clean Tooth’ icon on the [Home Page](#).

‘Tooth’ by Alex Podolsky from the [Noun Project](#). I’ve altered the design and color of the icon, as well as added a graduation cap element, and I have used it on every page of the website as the logo emblem and more simply done, as a bullet point on the [New Patients](#) page.

*All other icons used on the website have either been made from scratch by the developer, or downloaded from [Sketch free icons](#).
